

Teacher: Portfolio

Navigating the PYP Portfolio

The Portfolio organizes students' academic coursework, learning goals, teacher comments, and parent meeting notes.

Teachers, students and parents can access the Portfolio, making it an easy place to track and record student progress.

Student information from past years is also retained, and easily viewable via the **Year** dropdown.

Previously generated reports in PDF form are also available from the student portfolio.

Learning Goals

Students and teachers may set learning goals tied to the **Learner Profile**.

Learning Goals

☐ Finish reading all of Roald Dahl's books (**Inquirers**)

☐ Get better at multiplication tables (**Thinkers**)

☐ Improve my cursive handwriting (**Communicators**)
