

Community & Service

What is C&S?

Community and Service starts in the classroom and extends beyond it, requiring you to take an active part in the community in which you live. The emphasis is on developing community awareness and concern and the skills needed to make an effective contribution to society.

Click the **IB Manager** tab and choose **C&S** to begin.

C&S Step-by-Step

1) Click **Add C&S Activity** on the right menu to add the first activity.

2) Select an activity from a group or enter activity details.

3) The activity will be reviewed and, if suitable, **Approved** by the C&S Coordinator. Click **Add New Reflection** to provide evidence of the activity. Reflections can encompass written journals, photos, websites and videos and are linked to learning outcomes.

4) When adding a reflection, you must link it to **one or more** learning outcomes.

5) Once you have completed your activity and submitted reflections, you can click **Request Supervisor Review**.
