

Personal Project

What is the Personal Project?

The Personal Project is an individual project completed in the final year of the Middle Years Programme. It consists of a process journal, project and written essay which collectively provide an opportunity to demonstrate the skills you have learned in relation to the Areas of Interaction. You are assigned a supervisor who will provide guidance as you plan and research your project.

Select the **IB Manager** tab and choose **Project** to begin.

Personal Project Step-by-Step

- 1) Fill in the form, selecting the area of interaction and your supervisor. Click **Save Project**.
- 2) The proposal will be reviewed and, if suitable, **Approved** by your supervisor. Once the project is completed, they will mark it as **Complete**.
- 3) Keep the process journal updated with new ideas, progress and research. The journal can contain a variety of mediums including journal entries, videos, websites, photos and files.
- 4) Check off the deadlines as you complete them. To upload a file to a deadline, click on the title and upload it to the dropbox.
